Local Councils, Internal Drainage Boards and other Smaller Authorities in England Annual return for the year ended 31 March 2016

Every smaller authority in England with an annual turnover of £6.5 million or less must complete an annual return at the end of each financial year in accordance with proper practices summarising its activities. In this annual return the term 'smaller authority'* includes a Parish Meeting, a Parish Council, a Town Council and an Internal Drainage Board.

The annual return on pages 2 to 4 is made up of three sections:

- Sections 1 and 2 are completed by the smaller authority. Smaller authorities must approve Section 1 before Section 2.
- Section 3 is completed by the external auditor.

In addition, the **internal audit report** is completed by the smaller authority's internal audit provider.

Each smaller authority must approve Sections 1 and 2 of this annual return no later than 30 June 2016.

Completing your annual return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Complete all highlighted sections. Do not leave any highlighted box blank. Incomplete or incorrect returns require additional external auditor work and may incur additional costs.

Send the annual return, together with the bank reconciliation as at 31 March 2016, an explanation of any significant year on year variances in the accounting statements, **your notification of the commencement date of the period for the exercise of public rights** and any additional information requested, to your external auditor by the due date.

Your external auditor will ask for any additional documents needed for their work. Unless requested, do not send any original financial records to the external auditor.

Once the external auditor has completed their work, certified annual returns will be returned to the smaller authority for publication or public display of Sections 1, 2 and 3. You must publish or display the annual return, including the external auditor's report, by 30 September 2016.

It should not be necessary for you to contact the external auditor for guidance.

More guidance on completing this annual return is available in the Practitioners' Guides that can be downloaded from www.nalc.gov.uk or from www.slcc.co.uk or from www.ada.org.uk

Guidance notes on completing the 2015/16 annual return

1. You must apply proper practices for preparing this annual return. Proper practices are found in the Practitioners' Guide* which is updated from time to time and contains everything you should need to prepare successfully for your financial year-end and the subsequent work by the auditor. NALC, SLCC and ADA have helplines if you want to talk through any problem you encounter.
2. Make sure that your annual return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed return. Any amendments must be approved by the smaller authority, properly initialled and explanation provided. Annual returns containing unapproved or unexplained amendments will be returned and may incur additional costs. **Smaller authorities must approve the annual governance statement before approving the accounts.**
3. Use the checklist provided below. Use a second pair of eyes, perhaps a Councillor or Board Member, to review the annual return for completeness before sending it to the external auditor.
4. Do not send the external auditor any information not specifically asked for. Doing so is not helpful. However, you must tell the external auditor about any change of Clerk, Responsible Finance Officer or Chair.
5. Make sure that the copy of the bank reconciliation which you send to your external auditor with the annual return covers all your bank accounts. If your smaller authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree your bank reconciliation to Box 8 on the accounting statements (**Section 2 on page 3**). You must provide an explanation for any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guide*.
6. Explain fully significant variances in the accounting statements on **page 3**. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete analysis to support your explanation. There are a number of examples provided in the Practitioners' Guide* to assist you.
7. If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge. **From 2016 onwards, you must inform the auditor of the date set for the commencement of the period for the exercise of public rights.**
8. Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2015) equals the balance brought forward in the current year (Box 1 of 2016).
9. Do not complete Section 3 which is reserved for the external auditor.

**ISSUES ARISING REPORT FOR
Ingleby Barwick Town Council
Audit for the year ended 31 March 2016**

BDO

Introduction

The following matters have been raised to draw items to the attention of Ingleby Barwick Town Council. These matters came to the attention of BDO LLP during the audit of the annual return for the year ended 31 March 2016. This report must be presented to a full meeting of the smaller authority for review.

The audit of the annual return may not disclose all shortcomings of the systems as some matters may not have come to the attention of the auditor. For this reason, the matters raised may not be the only ones that exist.

The matters listed below are explained in further detail on the page(s) that follow;

- Accounting Statements not approved by 30 June
 - Accounts approval
-

The following issue(s) have resulted in the annual return being qualified. They indicate a weakness in the council's procedures and require the council to take immediate action.

Accounting Statements not approved by 30 June

What is the issue?

The smaller authority failed to approve Section 2 of the Annual Return ("the accounting statements") by the deadline of the 30 June, as specified on the Annual Return and stated in Governance and Accountability for Local Councils - The Practitioners' Guide and implied in the Accounts and Audit Regulations 2015.

Why has this issue been raised?

This is a breach of proper practices as set out in the Practitioners' Guide 2016. By approving the annual return after the 30 June, the smaller authority prevented the RFO from discharging their obligations under the Accounts and Audit Regulations 2015 in respect of commencing the period for the exercise of electors' rights. This period must include the first 10 working days of July, meaning that for the 2015/16 annual return, the last possible date for approval was 30 June.

What do we recommend you do?

The smaller authority must ensure in future years that the accounting statements are signed by the RFO and then reviewed and signed as approved by the smaller authority meeting as a whole, by the latest date in order to comply with the electors rights dates, which must include the first 10 working days of July.

Further guidance on this matter can be obtained from the following source(s):

Accounts and Audit Regulations 2015 - legislation.gov.uk website
Governance and Accountability for Local Councils March 2016 - The Practitioners' Guide -
NALC/SLCC/ADA

The following issue(s) have been raised to assist the council. The council is recommended to take action on the following issue(s) to ensure that the council acts within its statutory and regulatory framework.

Accounts approval

What is the issue?

The Accounts were approved after the commencement of the inspection period of the exercise of electors' rights.

Why has this issue been raised?

The Accounts and Audit Regulations 2015, reg 15(3) specifies that the Annual Governance statement must be approved. This is followed by the approval of the Accounting Statements. Both statements must be published including on a website with the notice of electors' rights. The electors' rights period should start on the following day. The smaller authority has not complied with the Accounts and Audit Regulations 2015.

What do we recommend you do?

The Smaller Authority must ensure in future years that the electors' rights inspection period commences after the accounting statements are approved. The Smaller Authority must also consider how to answer the question concerning the electors' rights period in the Annual Governance statement next year. The period of electors' rights that they must be considering is for the 2015/16 year as that is the period that has occurred during the year.

Further guidance on this matter can be obtained from the following source(s):
